

**Use this form to:**

- Request to restrict the circulation or availability of a masters or doctoral thesis.
- Request an extension on circulation or availability of a thesis.

**Instructions:**

1. Complete sections 1 and 2 and obtain your supervisor and co-supervisor's signature
2. Submit the completed form to your academic department for approval.
3. You must apply for an extension to an original restriction in order to restrict circulation or availability beyond the initial year.
4. If no further extension is requested or approved, the thesis will be released to the University of Waterloo library.

**Deadlines:**

- Extensions must be requested, using this form, at least two months before the date of release, to the GSO.

**Note:**

The University of Waterloo will only consent to any restrictions being placed upon the circulation or availability of a thesis prior to its deposit to UWSpace library. This form must be fully approved and submitted to the Graduate Studies Office (GSO) before any restrictions will be applied to the circulation of the thesis.

For more information about this form, please review the [request to restrict circulation of thesis form web page](#).

**Section 1: Student information**

University of Waterloo student identification number 20522992  
 Last name(s) Beriashvili First name(s) David
